

4-6 months old

In the first five years of life, my brain grows faster than at any other stage. I learn and develop through play and interaction.

Some things you can do to help my brain keep growing well:

- provide me with warm, friendly relationships, read and talk with me
- bond with me by smiling, playing, talking and cuddling
- spend time with me, we will build a connection which is important for me to thrive

Some things I may be doing are:

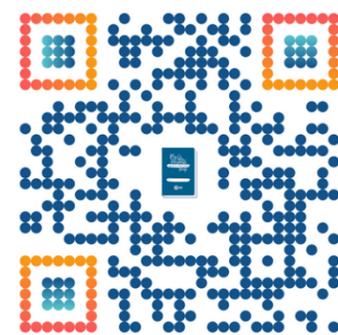

- standing with support
- putting things in my mouth
- passing things from one hand to the other
- babbling lots
- rolling – please don't swaddle me!
- trying to get things that are out of reach

Talk to our Maternal, Child and Family Health nurse/midwife or doctor if I am NOT:

- doing things, I used to
- taking weight on my legs
- responding to my name
- babbling or laughing
- rolling

SCAN ME

Some ideas for how you can spend time with me:

- read and share picture books with me
- sing, smile and talk to me
- play on the floor with me
- count my toys with me
- take me out in my pram or carrier for walks
- talk to me about the tasks we are doing
- help me calm down when I'm upset or excited

Don't forget to look after yourself. If you're happy and healthy it helps me to be happy and healthy as well.

Child Health Checks

Please take me to my health checks

You will find information on all 9 of my health checks in my Blue Book. This is my personal health record. My Blue Book has health information to help you track my immunisations, growth, and development. To book my next health check or immunisation call

Central Health Intake

02 5124 9977

Keep me up to date with my immunisations

Keep me protected against common infectious diseases. The Immunisation Record in my Blue Book will tell you what immunisations I need from birth to 4 years. You can book me in for my immunisations through Central Health Intake.

Child and Family Centres

If you want to speak with someone about my health, wellbeing, learning and development, the Child and Family Centres offer free support for families and carers.
