**Priority Enrolment Area:
Latham**

O'Loghlen Street,
Latham ACT 2615

PRINCIPAL'S MESSAGE

Learning is the central focus for all of us here at Latham Primary School. Our school values underpin both our vision for the school, to develop global citizens and our mission, to provide a quality education where everyone belongs and embraces learning. Our school values of collaboration, resilience, motivation, respect, and positivity are recognised and celebrated across all years. Our school values were developed by our children, our staff team and our families. We embrace the opportunities that the Early Years Learning Framework and the Australian Curriculum provide us in supporting children to learn about themselves and this amazing world we live in.

We have a strong focus on and an unwavering commitment to inclusion at Latham Primary School. All children and their families are welcome here. We know that families have a deep and rich understanding of their children and to be able to tap into this knowledge helps us to be the best school possible for each child. We want to work in a true partnership with each of our families. -

Belinda Andrews, Principal

PRIORITY ENROLMENT AREA

OUT OF SCHOOL HOURS CARE

The before and after school care program is run by YMCA.

- It is open from 7am to 9am and 3pm to 6pm
- A holiday program is also offered by YMCA

PRESCHOOL

Preschool is the first step into a broader educational environment and for some it is often the first time away from home and family. To help your child settle happily into his or her new surroundings, we ask that you maintain a close link with the Preschool. We welcome any information which will help us have a better understanding of your child.

Latham offers two classes:

- Monday, Tuesday & every second Wednesday
- Every second Wednesday, Thursday & Friday

ENROL NOW

Don't forget to enrol your child from April 26th
